Holy is the Lord. Holy is His name.

His mercy is on those who fear Him; every generation's the same.

But, how can I stand before His throne if still in this body of sin?

Who will rescue me from death? Thanks be to God through Him!

Chorus

Jesus, my hope, my life, I bow down before You today;

O, make Your word my delight, and help me to obey;

Help me, Lord, I pray.

I am a man of unclean lips. I stand before You undone!

Only by Your grace can I even see that the battle's been won!

Please, forgive this little child, Abba, Father to me.

Purify this sinful heart, so in Your presence I may be.

Chorus

Let not those who wait for You be ashamed of me.

Let not those who seek Your face be confounded because of me.

For Your sake I have borne reproach; shame has covered my face.

I am a stranger to my kin, and an alien to my race.

But, Je-sus, You have asked, "Whom shall I send?"

Well, here am I, Lord, send me, the gospel to defend,

On You I must depend.

Chorus

Holy is the Lord. Holy is His name!

Holy is the Lord. Holy is His name!
